Public Transport

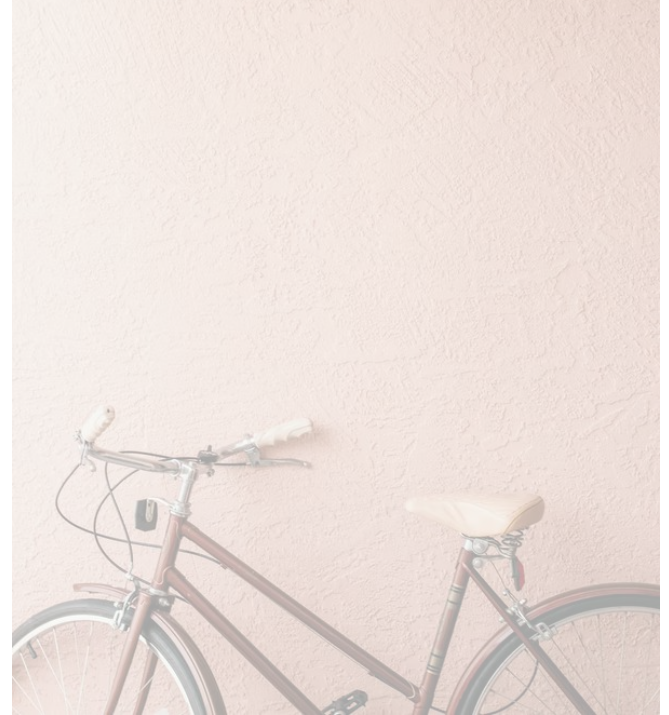

Vocabulary Lesson

Introduction

What is public transport? When you are in the city, you need to find a way to travel around.

The most common options are; trains, taxis, cycling and cars!

In today's lesson we will learn about the different ways to travel in the big city using public transport.

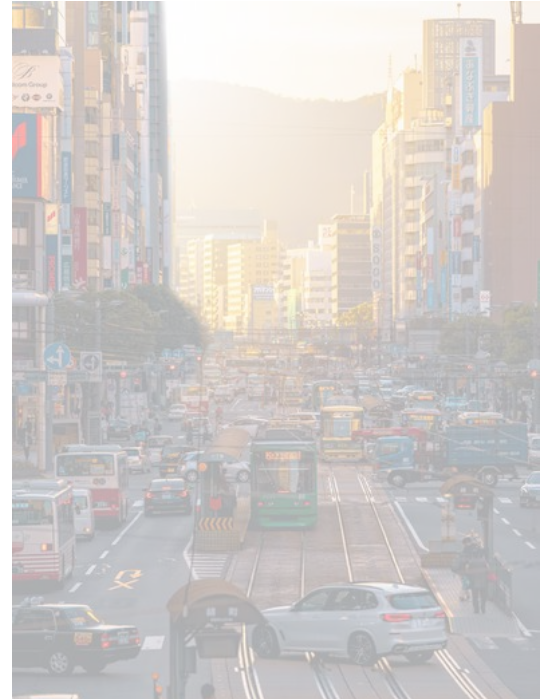

Warm-up!

- ★ *Do you live in a big city?*
- ★ *What is the most exciting place to visit where you live?*
- ★ *What is your favourite city and why?*

Vocabulary

- ★ **Old-fashioned** : Something that is from the past and is not used anymore.
- ★ **Rent** : To pay money to be able to use something for a limited time.
- ★ **Originated** : The time and date of when something started or was created.

Taxi

A very popular way to travel around in the big city is by getting a taxi. Did you know that the taxi service originated in Germany in 1897?

In New York city, a taxi is famous for being bright yellow. In London, taxis are black and old-fashioned.

★ *Do you often get taxis where you live?*

Cycling

Bicycles have existed for a long time but they became more popular in the 1880's. Now it's very common to be able to rent bicycles in big cities.

Denmark, Germany, Sweden and Norway currently have the most cyclists in the world.

★ *How old were you when you learnt how to ride a bicycle?*

Trains

Subway trains around the world are almost always very busy and it's a very hectic environment to travel in.

The famous subway in London is called the **Underground**. The trains handle over 5 million passenger journeys a day.

★ *Can you handle hectic environments well?*
